Declaration and Consent

I understand the Holiday Club operates under the same policies and procedures as The Pointer School (please see website for details of policies). I give permission for my child to attend the Pointer School Holiday Club and for staff to administer First Aid if necessary. I understand that persistent and serious bad behaviour will not be tolerated. Unfortunately, due to staffing ratios, children requiring one to one support are unable to be catered for at the Pointer School Holiday Club. Occasionally, children may be taken to visit local places such as Greenwich Park or the library. Sign below if you give your permission for your child to be included in such visits and you are in agreement with the points above.

I give The Pointer School and its staff permission for my child to be treated by a doctor in a medical emergency.

I am also in agreement that staff may put plasters on bumps and bruises as necessary (unless the school has been informed of a likely allergic reaction)

Should there be a serious accident at school the following procedure will be followed.

The Holiday Club will telephone you to inform you of the situation. If you are not immediately available we will take your child to the Queen Elizabeth Casualty Unit (our nearest) or “minor Incidents” at the Blackheath Hospital* which is a private hospital in Independents Road, Blackheath, SE3 9LF (tel. 0208 297 4500). We will, of course, arrange to meet you at the appropriate hospital. (Please ensure you sign this emergency treatment authorisation and more importantly that we always have your up-to-date contact telephone numbers)
